

7th European Workshop on Astrobiology

October 22-24, 2007

University of Turku, Finland

<http://www.astro.utu.fi/conf/EANA07/>

- Interstellar chemistry
- Chemical evolution
- Early Earth and Mars
- Origins of life
- Life during the Archean
- The limits of life – Extremophiles
- Search for life in the Solar System
- Exoplanets
- Habitability
- Biomarkers
- Education and public outreach

Public Lectures

First and Second Origin of Life

André Brack (Orleans, France), and
Steen Rasmussen (Los Alamos, USA)

The logo for the European Astrobiology Network Association (EANA) features the acronym "EANA" in a large, blue, serif font with a slight 3D effect.

**European
Astrobiology
Network Association**

The organizing committee:

Local Organizers:

Olav Eklund (Geology, University of Turku), Harry Lehto (Astronomy, University of Turku), Kirsi Lehto (Biology, University of Turku), Esko Valtaoja (Astronomy, University of Turku), Esko Gardner (University of Turku), Samuli Kotiranta (University of Turku), Pekka Janhunen (FMI), Axel Brandenburg (Nordita, Sweden), Nils Holm (Stockholm University, Sweden)

EANA Officers:

André Brack (CNRS, Orléans, France), Charles Cockell (Open University, Milton Keynes, UK), Luigi Colangeli (INAF, Napoli, IT), Pascale Ehrenfreund (Leiden University, NL), Beda Hofmann (Naturhistorisches Museum, Bern, CH), Nigel Mason (Open University, Milton Keynes, UK), Juan Perez Mercader (CAB, Madrid, Spain)
